### **2006 'AAA' Minor Division Rules**

#### **Batters**

1. A line-up shall be presented to the home plate umpire prior to the start of the game. Batters must bat in order. **On Deck Batters are not permitted on the field or in the caged area next to the bullpen.**
2. All players on a team's roster present for a game will bat in a continuous order. Batting order substitution or pitch hitting are not allowed **Exceptions:** see rule 4.04  
**4.04** -. The CALL Minor Division has adopted a policy of a continuous batting order that will include all players on the team roster present for a game bat in order. Each player is required to bat in his/her respective spot in the batting order. **NOTE:** If child is injured, becomes ill or must leave the game site after the start of the game, the team will skip over him/her when his/her time at bat comes up without penalty. If the injured, ill or absent player returns he/she is merely inserted into their original spot in the batting order and the game continues. Also, if a child arrives late to a game site, if the manager **chooses** to enter him/her in the lineup (see Rule 4.01 **NOTE**), he/she would be added to the end of the current lineup.
3. Batters shall not fake a bunt, pull back and hit away in the Minor Division. Penalty: Batter shall be called out, whether or not contact was made with the pitch. **(Batter must swing to be called out)**

#### **Runners**

1. **Base runners leaving early:** - a base runner who leaves a base early, that is prior the ball crossing home plate shall be returned to the base from which they left. If the batter does not strike the pitched ball, the umpire will declare the play dead and send the runner back to the originating base. The result of the pitch will stand as called.  
If as a result of the pitch the batter strikes the ball and the ball is in play, the play will be allowed to continue. If the runner is put out as a result of the play the out will stand. If the batter is put out as a result of the play the out will stand and the runner who left early will return to the base of origin. If the pitched ball is put in play and no outs are made the runner who left early will only advance to the base to which they would have been forced as a result of the play.  
  
If the runner who left early reaches home safely that runner will be returned to third base, unless occupied by the batter or other runners that were behind the runner that left early.  
  
A runner who leaves early will only be allowed to score if following runners or the batter score as a result of the play.
2. In case of injury to any runner, the last player listed in the batting order at that time shall be the substitute runner
